

Ashwood Devons

Annual Bull Sale

Ashwood Knockout

Ashwood Selling Complex
438 Markwell Road, Bulahdelah NSW

Sunday 21st August 2016

Viewing From 09:00

Selling commences 11:30

Welcome to Ashwood Devons for 2016!

The rebuilding of the Ashwood herd at Bulahdelah since the introduction of our first Bongalabi heifers purchased in 2009 has been a slow but invigorating process. We increased herd size early in 2010 with the purchase of some outstanding Barnstaple cows and a young bull. One of those Barnstaple cows produced our very first "Ekka" Grand Champion bull (**Ashwood Frederick**) at the 2012 Royal Queensland Show.

The addition of Gowan Ross Dogmatic as our stud sire later in 2010 gave us a very good combination with our established cow herd which produced many Show champions for us, including **Ashwood Snowbell 2**, a Grand Champion cow in Sydney and Brisbane.

The herd grew from this great foundation and we added to the genetics with the purchase of semen, including that of Stonegrove High 'N' Mighty, a very fine English sire. He too has produced great animals and some Royal Show broad ribbons including Best of Breed at the 2015 Sydney Royal, **Ashwood Cara 1**. Our Junior/Grand Champion Bull at the 2015 Brisbane Royal **Ashwood Knockout** is also from this sire and is offered in this 2016 sale.

The purchase of the "fantastic" Bongalabi bull F011 (Bongalabi Bon Fantastic) early in 2015 and the subsequent purchase of the Bongalabi herd has brought us to where we are today, with what we believe to be an outstanding Devon herd giving us the foundation we need to continue breeding great Devons well into the future.

We are thrilled to be offering excellent paddock reared bulls and females at our sale and commend them to you. We hope you can join us for what we know will be an enjoyable and informative day.

We have received valuable support from local businesses. Please support them too!

Jo and Malcolm

09:00	Inspection of Cattle
10:40	Keynote Address: Dave Smith Devon cross breeder and grass finisher
11:30 to Midday	Silent Auction Bulls and Females
13:00	Complimentary Lunch Refreshments available all day

"The Birth and Finish of the Best Beef"

ASHWOOD DEVONS

BULL Veterinary and Health Information

During their life animals offered for sale have been subject to industry approved care and handling. This includes treatments for health and disease, regular livestock handling and proper feeding and watering. The outcomes are well-grown, fit and healthy cattle free of disease.

All sale bulls have been examined by veterinarians prior to sale. Each bull was subject to scrutiny for conformation, weight for age, mobility, and temperament. In particular each bull was examined for fertility and male function testing. Further information provided sale day.

All bulls are offered for sale fit to perform as breeding males.

This is your guarantee and confirmation that bulls leaving this sale are fit for work.

A 'SILENT' Auction

The sale will be conducted as a "silent" or Helmsman type sale. Buyers register with their trading information and PIC on arrival.

A white board with reserve prices for each bull and female will be prominently displayed from 09:00. All bulls and females are on the market simultaneously. The **ACTIVE** part of the sale is between 11:30 and Midday during which time buyers approach the sale monitor to place a bid for their choices.

The sale progresses when buyers increase prices for the sale cattle. The monitor will show new bids on the sale board with buyers' numbers.

Buyers can bid on more than one bull or female at the same time.

Prices advance by a minimum bid of \$250 for bulls and \$100 for females.

From midday any further increase in bids must be made during a two minute period following any previous bids.

At the completion of the sale, invoices will be provided to all buyers for immediate settlement with Ashwood Devons. GST will be added after the sale concludes.

If buyers wish to use the service of an agent, the agent must be in the company of the buyer at the sale. A commission of 4% of the purchase price will be paid to such agents.

Further information about the conduct of the sale will be provided on Sale Day.

Directions to Ashwood Selling Centre

Travellers from the North (Taree) on A1:

Take the first exit to Bulahdelah, turn right from Lee Street at a roundabout into Markwell Road

Travellers from the South (Raymond Terrace) on A1:

Take the first exit to Bulahdelah, turn left into the main street of Bulahdelah. Head north on the main street which becomes Markwell Road.

Travellers from Gloucester:

Travel towards Waukivory; continue through Markwell on Markwell Road.

The property is on a crest on the East side of Markwell Road. Signs and balloons will mark the entrance on Sale Day.
